Dear Parents and Carers,

The children in all three Kindergarten classes have made a great start to the year and are working well.

Helping in the classroom:

Now that all student have settled into school routines we would really appreciate your assistance in the classroom. If you are able to commit to a weekly time-slot that is wonderful; however, we appreciate many of you have very busy lives and may only be able to assist once in a while. We have attached our class timetables on the back of this note and have highlighted the times during which your help is most valuable. Please complete the slip attached to indicate your preferred day, time-slot and frequency. Please also include your contact details and we will be in touch by the end of the week.

If you are a working parent and unable to assist in the classroom we fully understand and encourage you to participate in the school in other ways such as; attend the P&C meetings, attend social functions, add a comment on the 'Class Blog' etc.

Going Home Arrangements:

On the reverse of the 'Helpers' slip we have included a 'Going Home' arrangements slip where you can let us know your child's after school arrangements. Please record if you usually collect your child at the gate, if they catch a bus home with siblings or a bus buddy or when and where they attend After School Care. At the end of each day we do our best to ensure your child is placed in the correct line, depending upon their arrangements. If you have a last minute change to plans please call the school office on 44716120 **before 2:30pm** to ensure your child receives their message on our afternoon 'message board' which is taken around to each class.

Pizza Meet, Make, Eat and Mingle

Just a reminder that our 'Kindy' pizza afternoon is on this Thursday 26th Feb. Our wood- fired pizza oven is located at the back of the Administration building. We would really appreciate a couple of volunteers to come along a little earlier to learn how to cook our pizzas to perfection. Tim McDonald, one of our School Learning Support Officers has kindly volunteered to share his pizza cooking skills.

If you are able to assist by coming along little earlier and then staying to help cook the pizza's between 3-5 pm please indicate on the 'Helpers Slip' attached and we will contact you before Thursday.

Warm regards, Cathy West, Clare Dunn and Nerida Bourke. 23/02/15
